Thank you!

Thank you to everyone who joined us at the Sowing Seeds of Justice celebration! It was a truly unforgettable evening filled with joyful music, delicious food, drinks, and great company. We were moved by the powerful and inspiring words shared by influential, compassionate, and committed leaders from our community and beyond, and we were honored to hear from our beloved Blanca Alvarado who exemplifies the incredible contributions of those who have dedicated their lives to uplifting Mayfair. The stories of triumph over difficult circumstances prove the incredible human assets, work ethic, and intellect of our beloved community.

A special recognition goes out to all who made the event possible, including our inspiring speakers, dedicated event organizers, and our phenomenal Emcee. Your passion and commitment to our mission shined brightly throughout the night.

Together, we raised vital funds to continue our work of bringing justice and empowerment to our beloved Mayfair community. Thank you all for your donations that confirm the value and importance of our work and mission, which will ultimately lead to lifting the Mayfair community out of poverty and ultimately serve as a model for other communities in the state and beyond. If you couldn't make it but would like to support our cause, we encourage you to consider donating to help us keep this momentum going.

Together, we will build a more just society for all--¡Si Se Puede!
