

# Is your housing secured?

*Winter has arrived and many families continue to be at risk of losing their jobs and housing. Selected congregations throughout Santa Clara County have opened their gates for families to stay without fear of harassment and with hope to access to basic need services.*

## **Temporary Shelter** *hosted by Winter Faith Collaborative:*

- **Park your car overnight/Temporary Shelter\***
- **Seven days a week\***
- **Access to basic need services**
- **Restrooms on site**

No drugs, weapons, or alcohol permitted.

- **Operating hours and criteria vary depending on site**
- **Space availability depending on site**
- **Please call regarding requirements and services\***

**For more information: [www.amigoscenter.com/408-509-9221](http://www.amigoscenter.com/408-509-9221)**

The Winter Faith Collaborative Overnight Parking Program invites our community members who are living in their cars to partake in our temporary shelter and/or park overnight in our parking lot!

**The Collaborative is an interfaith movement that was formed in 2015 to share ideas of how to support and engage the homeless community in creating more housing options both short and long term.**

So far we have engaged over 60 faith communities across San Jose and Santa Clara County with the **collective aim to serve and shelter those in the houseless community who are living outdoors**

**The Winter Faith Collaborative does not discriminate on the basis of race,**
